

2025 Official Rules & Regulations

A FEW QUICK NOTES.....

*All dancers must be registered under a studio. We do NOT accept independent dancers. Each studio must have a minimum of (3) routines registered for each event.

*To guarantee registration, a non-refundable \$250 deposit is required which will be applied to your registration fees. Should a deposit not be made please note that registration is not guaranteed.

*Please be prepared to compete Friday/Saturday/Sunday for Regional events.. We are unable to take time/day requests. If you have extenuating circumstances with a dancer(s) being able to compete during their "like" session, please note that the routine will only be adjudicated and not considered for overall awards.

*We award several overall and outstanding awards during the last session of the event. We do NOT ship awards and a studio representative must be available at the end of the event in order to obtain awards.

*Based upon conditions at the time of your event, we may require masks, temperature checks and/or limited attendance. We will provide the policies in advance of the event.

new *At each event, Studio Owners, Directors & Teachers will be provided a VIP lanyard. Parents are not allowed backstage unless the studio has requested their presence for prop or dancer assistance. Studio Owners, Directors and/or Teachers must advise our Backstage staff if a non-VIP person is present backstage.

new *Fusion is providing in most dressing rooms an intercom to assist in notifying studios of routines that need to be checked in backstage. Please do not allow anyone within your dance family to disturb these devices. This is being offered at our events to assist everyone in keeping the event on schedule.

*When the judges unanimously agree that dancers are placed incorrectly in a performance level division, the routine will be moved up to the appropriate level regardless of whether the overall award has already been given.

new *Re-performance (re-do) of a routine is prohibited unless the incompleteness of the performance is related to a sound or venue technical error. If a re-performance is requested, a form must be completed by the Studio Owner, Director or Teacher and submitted within 10 minutes to the Fusion Backstage Staff of the request to have a routine re-perform. The Re-Performance Forms will be available backstage with the Fusion Backstage Staff. Fusion Director(s) will make the final decision to approve or disapprove of the re-performance request.

new *A *Fusion Flag* will be given when a rule break occurs. Rule breaks include, but are not limited to, the use of illegal props (baby powder, liquid, glitter, hairspray, paint, confetti smaller than ½ inch, fog machines, and/or strobe lights), offensive music, coaching, prop assembly exceeding a timely fashion and/or extensive clean up. Judges are granted the right to Fusion Flag any routine they deem necessary. **A Fusion Flag will result in an automatic 2-point deduction from the total score.** The Studio Director will be notified when a dance has been given a *Fusion Flag*.

new *A Content Awareness notice will be given to a studio director when a judge believes the content of a routine is offensive or culturally insensitive. Cultural or racial appropriate and over-sexualization for an age division are examples that could receive a content awareness notice. Content Awareness notices have been created to provide judges the opportunity to explain their point of view. There is no point deduction accompanying a content awareness note.

*The media package is optional and available for parents to purchase after the event. Information on how to purchase is available at the Fusion merchandise kiosk and on our website.

*Recording or taking pictures during the competition is strictly prohibited. Recording and taking pictures are ONLY allowed during the improvisation session and each awards session. Failure to comply with this policy will result in the removal of said person from the event.

*Livestream will NOT be available during our Regional events. Livestream will be made available during our National event(s).

*A waiver is required from each studio for each dancer acknowledging our policies and is accessible via your DCG account.

*If a routine is choreographed by a scheduled judge, that judge will sit out during said routine and another qualified Fusion Team member will judge that routine.

*Courtesy block hotels may NOT be available for every city. For cities with a courtesy block, we advise you to book early as rooms will be limited.

LEVELS / PERFORMANCE DIVISIONS / AGES

Please read carefully. Failure to comply could lead to disqualification.

*It is up to the discretion of the Studio Director to determine the division placement of their dancers. Routines that are obviously under-placed may be elevated by the Judges or Management. All decisions are final.

*In a mixed Recreational/Intermediate/Elite/Spectacular S.T.A.R. duo/trio group routine, at least 50% of the dancers must be from the division they are competing in. Routines that are moved to the Elite Division by Judges or Management will be exempt from this rule.

LEVEL DIVISIONS

The following specifics regarding division levels are just a guide. The spirit and intent of our Division Levels is to provide dancers with the opportunity to compete against other dancers with similar experience and training. During competition, if all three judges nominate a dance to be promoted to a higher level, it will be moved up a level. The decisions of the Director and Judges are final.

RECREATIONAL DIVISION – For dancers with little or no competition experience who take 1-3 hours per week. There will be no redeemable gift certificates or cash awards in this division. There will be a presentation of top scores.

INTERMEDIATE DIVISION – For dancers who take 4-6 hours of class per week and have participated in competitions for 3-4 years.

ELITE DIVISION – For dancers who take 7+ hours of class per week and have 5+ years of competition experience.

SPECTACULAR S.T.A.R. (Special Talents Are Recognized) DIVISION – For dancers with special needs and/or development disabilities who want to share in the joy of dance in a welcoming environment. All Spectacular S.T.A.R. routines will receive an adjudication award and overall awards. These routines are also eligible for all Specialty Awards and Judge's Choice Awards. Please email us at Alyssa@FusionNDC.com with any needed accommodations to help foster confidence in the performance of these dancers.

PROAM DIVISION – For teachers and professional dancers. A professional or teacher is defined as any individual that is being compensated for classes or choreography that is over the age of 18. If a professional dancer or teacher competes in a routine, their routine must be in the Pro/Am division. The Pro/Am division will be adjudicated only. If there are 5 or more Pro/Am entries, a high score will be presented. There will be no redeemable gift certificates in this division. This division will be scored on the Elite Level Scoring system.
